

KINDRED CONNECTIONS

SEPTEMBER 2022 | KINDREDLUTHERAN.COM

“For just as the body is one and has many members, and all the members of the body, though many, are one body, so it is with Christ.” 1 Corinthians 12:12

Siblings in Christ,

September is upon us, which means it is time for the program year to start full force again at KLC! We are so excited to welcome everyone back and get Sunday School, Confirmation, liturgical music, potlucks, and many other things going. The church building is meant to be a place where we can gather and grow together, so when the building is bursting with life it's something amazing.

We want the building to be used. We want to provide as many opportunities as possible for people of all ages to gather and grow. In order to do everything we want to do, though, we need you to help.

We can't properly teach Sunday School if we don't have people willing to teach. We can't have the most meaningful worship services if a lot of our planning time is going toward trying to figure out who will be assisting in worship this week. We can't gather for conversation over treats if we don't have people volunteering to prepare and serve the treats. We can't do the activities we want to do unless you help.

As Paul reminds us in his letter to the Corinthians, we are all members of the body of Christ, and we can't expect one member, or even a select few members, to do everything. Working together as the church takes all members working together. With everyone helping out a little, together we can do a lot.

So, please, sign up on the board in the entry to help during worship. Please, volunteer to help with activities and fundraisers when the opportunity arises. Please, prayerfully consider joining a committee or helping committees reach their goals. Please, volunteer to help teach our younger generations about God. Please volunteer to help us all be the church we want to be, a place where we can gather to grow and are sent to serve.

God's Peace and Happy Program Year,
Pastor Kyle

LORD, our children are filled with emotions about going back to school and activities! Fill them with peace instead of worry. Give them courage instead of fear.
